

# NMIA

## Northern Michigan Inter Area

NMIA is made up of the eight Northern Districts in Western Michigan and meets monthly at different locations throughout the region. In general, NMIA provides a means for our groups to get involved and for individuals to join in on many sobriety enhancing opportunities. They will learn how to better be of value to their fellow AAs, and their newfound talents will be put to use in the various committees and activities throughout the area.

### All meetings are from 10:00 – 2:00ish
